Mitch and Corey,

On behalf of the students and staff of Laurentia Elementary School, I wish to congratulate and thank your organization for the work which you did with our students.

According to all those involved, the Skoolvivor Programme at B' Nai Brith was outstanding. The students really enjoyed the activities while the teaching staff was most impressed with the professionalism of the animators. In fact, we are now discussing the possibility of trying to organize a similar professional development programme for our staff.

Thanks again, and if you wish to use Laurentia as a reference, please feel free to do so.

Yours very truly,

W. MacLeod
Principal
